

Beeg President Report

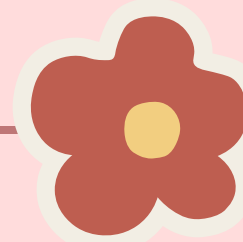

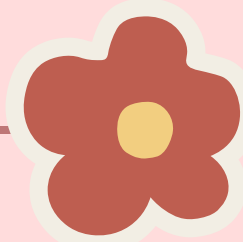

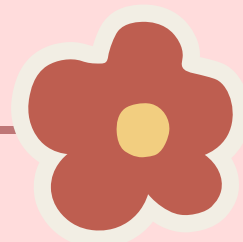

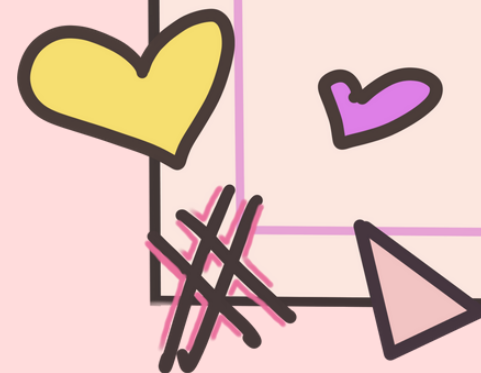

Journey to Old

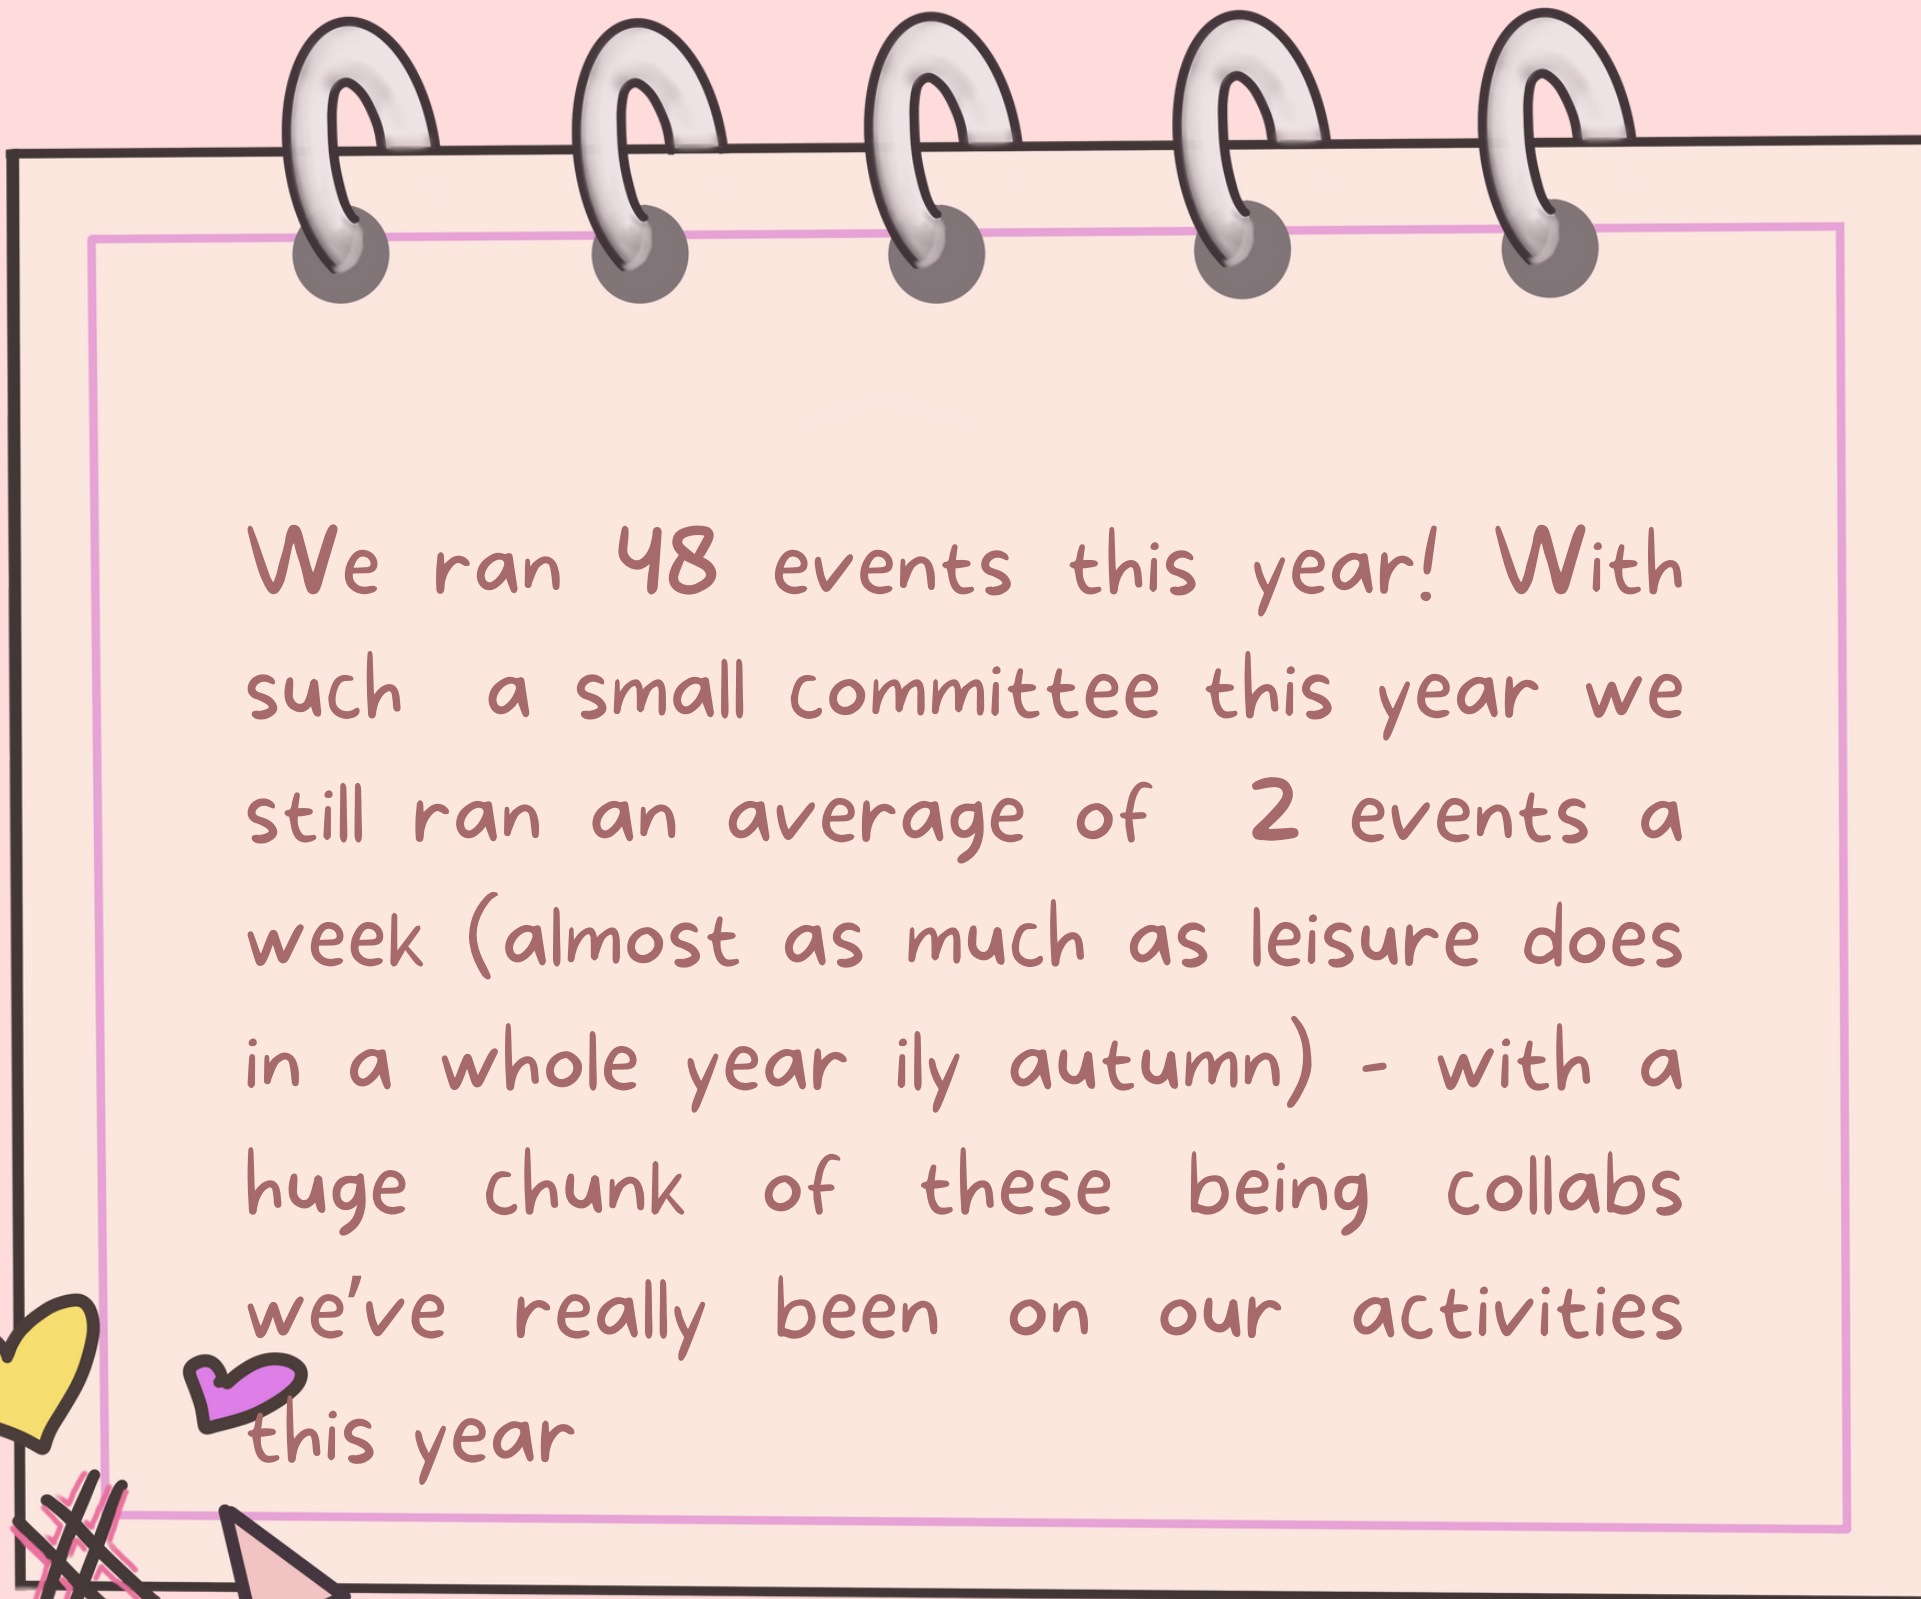

Overview

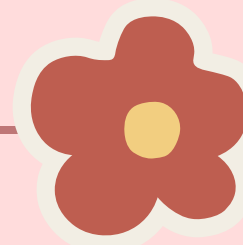

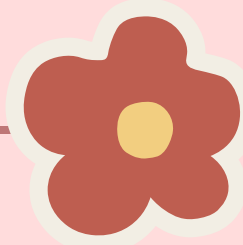

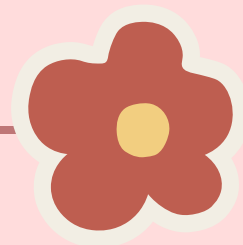

Great year this year! We didn't lapse and that's all that matters really. Amazing efforts from committee without vacancies and it was great getting to spend time together both at events and outside

Events

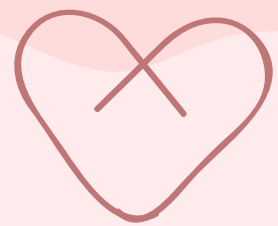

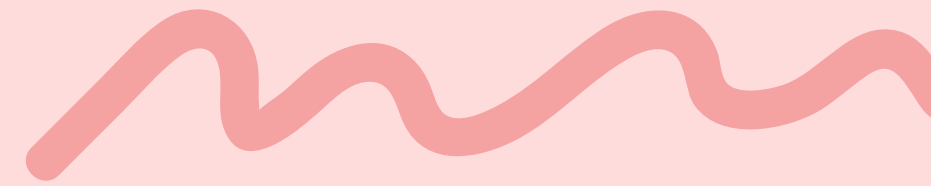

We ran 48 events this year! With such a small committee this year we still ran an average of 2 events a week (almost as much as leisure does in a whole year ily autumn) - with a huge chunk of these being collabs we've really been on our activities this year

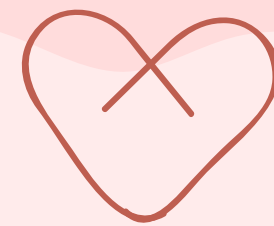

SWOT

Strengths

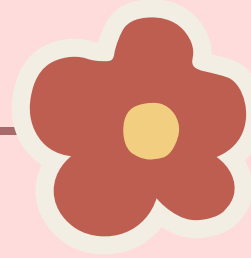

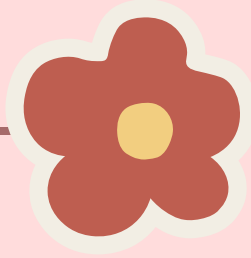

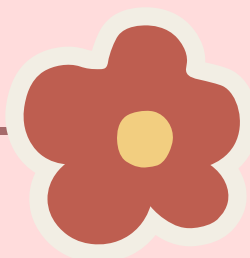

Really great core engagement
continuing increase in sports
engagement from last year
Rebuilding "friends of the club"
Besties with leisure again (ily

Weaknesses

other facsocs
No permanent externals VP
Besties with leisure again (h8 you
